September 16, 2016

Dear Parents and Guardians of the Class of 2017,

In response to the needs of our Senior Survey, collected during kick-off, along with ongoing improvement from the counseling department, we are pleased to announce the Senior Symposium. Here is what we have planned:

What: Senior Symposium

When: Tuesday, September 27, 2016 from periods 1-4 (regular schedule)

Where: Various Locations on campus

Who: All senior students in periods 1-4 only.

How: Senior Rotating Workshops- seniors choose 3 workshops; they will attend their selected workshops **after** 1st period General Session in Auditorium. Each student will have an Eventbrite ticket for admission to specific workshops (periods 2-4).

Please ensure that your child has registered for this exciting event. They may register via Google Forms. More information will be shared in their government and economics classes. The window to sign up for selected workshops is from September 19-22. Spaces may be limited for specific workshops, as it is first-registered-first-served.

We are looking forward to better serving your student and appreciate your support. If you have any questions, please feel free to call the Office of School Counseling at 626-943-6930.

Thank you in advance for your understanding and support.

Cordially,

The Office of School Counseling
