

# Samples Of How To Fill Out A CSF Application

(Use your 1<sup>st</sup> semester report card from this fall printed on January 8, 2020)

Qualify by earning at least 10 CSF points based on your semester 1 grades using five classes. Refer to the back of the CSF application for the CSF Course Lists and detailed CSF membership rules for grades, classes, and points. Fill in the chart with letter grades for **five** of your classes. Write them in the **same order** they appear on your report card.

This extra point may not be applied to more than two classes.

A = 3 CSF points B = 1 CSF point C = 0 CSF points AP/Honors/Accelerated = 1 extra point

- AP/Honors/Accelerated points cannot be added to a class grade of C; they can only be added for grades of A or B. **Limit of two classes!**
- IMPORTANT:** Do not apply for CSF if your report card has a grade of D or F in any course or citizenship that includes a U or two Ns.
